

SINGAPORE QUALIFICATIONS

Pegasus International College collaborates with SISH Institute in Singapore to provide international programmes in Vietnam, awarded by SISH Institute in Singapore and transferred to partner universities for bachelor degree.

Established in 2007, SISH Institute stands as one of the top private institutions in Singapore, specializing in Hotel Management, Tourism, Travel, and Aviation. SISH Institute offers a comprehensive array of programmes, ranging from preparatory courses to Diploma and University levels. The institute's exceptional management and provision of educational services have earned it a prestigious 4-year EduTrust Certification from the Committee for Private Education (CPE).

SISH Institute takes pride in being the first school in Southeast Asia to have its teaching programmes evaluated and recognized by esteemed organizations such as the Institute of Hospitality in the United Kingdom, ACPHA (Accreditation Commission for Programmes in Hospitality Administration, USA), VATEL Hotel and Tourism Management School (France) for hotel and restaurant service programmes, and the University of West London (United Kingdom) for aviation service-related programmes.

Transfer to get a bachelor's degree in Singapore awarded by partner Universities

Collaboration between Pegasus International College in Viet Nam and SISH Institute in Singapore
